DAY 1 : WELCOME TO SINGAPORE & VISIT NIGHT SAFARI SINGAPORE

Welcome to Singapore. On arrival in Singapore you will be greeted by your friendly local representative outside the baggage hall area at the airport. Get assistance with your luggage and then hop into your vehicle to be driven to your Singapore hotel in the most relaxed and tension-free manner.

Visit Night Safari Singapore in the evening (Note: You must arrive by noon time in Singapore to enjoy this Excursion this evening)

Today evening time, get ready to explore the Night Safari tour to see wild animals in artificial moon light. The most popular way to experience the safari is through a tram ride. However, the tour also has a nice walking trail that is lit by the moonlight. The whole park is dimly lit by the moonlight. This is one of the best ways to enjoy the safari. Some trails you will see on the tour are the Fishing Cat Trail, the Wallaby Trail and the Leopard Trail. Close to the Leopard Trail are 2 aviaries that house the flying squirrel and the Malayan flying fox. They are quite rare and perfect to observe in their natural habitat.

A tour of the park is not the only thing the night safari consists of. You also have the Thumbuakar Performance, where pyro warriors amaze you with their fire dancing and fire eating skills. It is followed by a 20 min interactive show called the Creatures of the Night. During this show, nocturnal creatures like the civet cat, hyena, otter, binturong, etc. showcase their talents. Overnight at Hotel in Singapore.

However, this tour would be incomplete without a ride on Singapore Flyer. This tour brings to you the best attractions in the city. Be sure to carry your camera, as you will have plenty of photo opportunities.

A wonderful opportunity to appreciate the splendid beauty of Singapore from both land and air! While our city-tour gives you an up-close view of attractions like Merlion Park, Suntec City, Fountain of Wealth, Orchard Road, and Little India as well as China Town, the Singapore Flyer ticket allows you to soak up the incomparable sights over the skyline of the city-state during your 30-minute flight aboard Asia's biggest observation wheel.

The Singapore Flyer, just like the London Eye, is a giant Ferris wheel which will take you 160 m high for a breathtaking view. The Singapore Flyer has 28 capsules that are climate controlled. Each capsule has a seating capacity of 28. Once on top, you get the most amazing view of the entire city. You can also get a glimpse of neighbouring countries like Indonesia and Malaysia. This massive park hosts more than 600 species of birds in different aviaries, spread across 202,000 sq. mts. The aviaries are:-

etc. **Lory Loft** : In this aviary, you can feed, touch, pet and interact with the beautiful Lory bird from the land down under, Australia.
